

SAN DIEGO

Marine Communication Systems Course

Date : Wednesday Sept 13, 2023

Time : 6:00 – 8:00 PM Wednesday for seven weeks

Place : Southwestern Yacht Club 2702 Qualtrough St, San Diego, CA 92106

Cost : \$90 member, \$110 non-member

Contact : Education Officer (seo@sdsp.org)

Marine Communication Systems is an in-depth, nine chapter review of those systems available to the recreational boater, or to those with whom he/she shares the water.

Radio history and spectrum definitions are presented along with definitions of radio circuits that the student should learn to choose the best communications method for his/her situation.

One chapter is devoted to the Global Maritime Distress and Safety System (GMDSS) and another to FCC Rules and regulations to set the stage for instruction of radiotelephone operating procedures (both voice and digital messaging are covered). The remaining chapters cover High Seas radio (MF/HF and satellite communications) and other systems such as Family Radio Service transceivers.

Topic: Marine Communication Systems

Time: Wednesday Sept 13 2023 06:00 PM Pacific Time (US and Canada)

Registration: <https://www.usps.org/cgi-bin-nat/eddept/800/getregform.cgi?L-17766>
