**Cost :** \$70 for members, \$95 for non-members

**Contact :** Education Officer (seo@sdsp.org)

Marine Navigation is the first course in the sequence of USPS courses on navigation, covering the basics of coastal and inland navigation. This course focuses on navigation as it is done on recreational boats today and embraces GPS as a primary navigation tool while covering enough of traditional techniques so the student will be able to find his/her way even if their GPS fails.

The course includes many in-class exercises, developing the student's skills through hands-on practice and learning. Ten classes of three hours each normally are scheduled for presentation of this course. In addition the students have seven days to complete the open book exam.

**Topic: Marine Navigation Class**

Time: Friday November 3rd, 2023 06:30 PM Pacific Time (US and Canada)
